PART II
INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Cayman Islands law does not limit the extent to which a company's articles of association may provide for indemnification of officers and directors, except to the extent any such provision may be held by the Cayman Islands courts to be contrary to public policy, such as to provide indemnification against civil fraud or the consequences of committing a crime. Our post-offering articles of association provide for indemnification of officers and directors for losses, damages, costs and expenses incurred in their capacities as such, except through their own dishonesty, willful default or fraud.

Pursuant to the indemnification agreements the form of which has been filed as Exhibit 10.2 to this Registration Statement, we will agree to indemnify our directors and officers against certain liabilities and expenses incurred by such persons in connection with claims made by reason of their being such a director or officer.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

ITEM 7. RECENT SALES OF UNREGISTERED SECURITIES.

During the past three years, we have issued the following securities (including restricted shares and options to acquire our common shares, if any). We believe that each of the following issuances was exempt from registration under the Securities Act in reliance on Regulation S under the Securities Act regarding sales by an issuer in offshore transactions.

ITEM 8. EXHIBITS AND FINANCIAL STATEMENT SCHEDULES.

(a) Exhibits

See the Exhibit Index for a complete list of all exhibits filed as part of this registration, which Exhibit Index is incorporated herein by reference.

The agreements included as exhibits to this registration statement contain representations and warranties by each of the parties to the applicable agreement. These representations and warranties were made solely for the benefit of the other parties to the applicable agreement and (i) were not intended to be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties if those statements prove to be inaccurate; (ii) may apply contract standards of “materiality” that are different from “materiality” under the applicable securities laws; and (iii) were made only as of the date of the applicable agreement or such other date or dates as may be specified in the agreement.

We acknowledge that, notwithstanding the inclusion of the foregoing cautionary statements, we are responsible for considering whether additional specific disclosures of material information regarding material contractual provisions are required to make the statements in this registration statement not misleading.

(b) Financial Statement Schedules

Schedules have been omitted because the information required to be set forth therein is not applicable or is shown in the Consolidated Financial Statements or the Notes thereto.

ITEM 9. UNDERTAKINGS.

The undersigned registrant hereby undertakes to provide to the underwriter at the closing specified in the underwriting agreements, certificates in such denominations and registered in such names as required by the underwriter to permit prompt delivery to each purchaser.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described in Item 6, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

- (1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant under Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.
- (2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) For the purpose of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it

is first used after effectiveness; *provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

- (4) For the purpose of determining any liability under the Securities Act of 1993 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

American Depositary Shares of TAL Education Group (the "Company")

Re:
Ladies and Gentlemen:

You have requested our opinion concerning the statements in the Registration Statement (as described below) under the caption "Taxation—Material United States Federal Income Tax Considerations" in connection with the public offering of certain American Depositary Shares ("ADSs"), each of which represents two Class A common shares, par value \$0.001 per share, of the Company, pursuant to the registration statement on Form F-1 under the Securities Act of 1933, as amended (the "Act"), originally filed by the Company with the Securities and Exchange Commission (the "Commission") on September 29, 2010, including all amendments and supplements thereto (the "Registration Statement").

In connection with rendering the opinion set forth below, we have examined and relied on originals or copies of the following:

(a) the Registration Statement; and

(b) such other documents, certificates and records as we have deemed necessary or appropriate as a basis for the opinion set forth below.

Our opinion is conditioned on the initial and continuing accuracy of the facts, information and analyses set forth in such documents, certificates and records (as identified in clauses (a) and (b) of the immediately preceding paragraph), except for the analyses set forth in the Registration Statement under the caption "Taxation—Material United States Federal Income Tax Considerations." All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Registration Statement.

For purposes of our opinion, we have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, conformed, electronic, or photo static copies, and the authenticity of the originals of such latter documents. We have relied on a representation of the Company that such documents, certificates, and records are duly authorized, valid and enforceable.

In addition, we have relied on factual statements and representations of the officers and other representatives of the Company and others, and we have assumed that such statements and representations are and will continue to be correct without regard to any qualification as to knowledge or belief.

Our opinion is based on the U.S. Internal Revenue Code of 1986, as amended, U.S. Treasury regulations, judicial decisions, published positions of the U.S. Internal Revenue Service, and such other authorities as we have considered relevant, all as in effect as of the date of this opinion and all of which are subject to differing interpretations or change at any time (possibly with retroactive effect). A change in the authorities upon which our opinion is based could affect the conclusions expressed herein. There can be no assurance, moreover, that the opinion expressed herein will be accepted by the U.S. Internal Revenue Service or, if challenged, by a court.

Based upon and subject to the foregoing, we are of the opinion that, under current U.S. federal income tax law, although the discussion set forth in the Registration Statement under the heading "Material United States Federal Income Tax Considerations" does not purport to summarize all possible U.S. federal income tax considerations of the purchase, ownership and disposition of ADSs to U.S. Holders (as defined therein), such discussion constitutes, in all material respects, a fair and accurate summary of the U.S. federal income tax consequences of the purchase, ownership and disposition of the ADSs that are anticipated to be material to U.S. Holders who purchase the ADSs pursuant to the Registration Statement, subject to the qualifications set forth in such discussion and, to the extent that it sets forth specific legal conclusions under United States federal income tax law, except as otherwise provided therein, it represents our opinion.

Except as set forth above, we express no other opinion. This opinion is furnished to you in connection with the sale of the securities. This opinion is expressed as of the date hereof, and we are under no obligation to supplement or revise our opinion to reflect any legal developments or factual matters arising subsequent to the date hereof.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the use of our name under the captions "Taxation" and "Legal Matters" in the prospectus included in the Registration Statement. In giving such consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Act or the rules or regulations of the Commission promulgated thereunder.

Based upon the foregoing, we are of the opinion that:

1. *With Respect to the Contractual Arrangements between TAL Beijing, PRC Affiliated Entities, VIEs and their Respective Shareholders*

(a) Each of the parties to the contractual arrangements and agreements by and among TAL Beijing, the PRC Affiliated Entities, VIEs and their respective shareholders that has been filed as exhibits to the Registration Statement (collectively, “**VIE Contracts**”) has full power, authority and legal right to enter into, execute, deliver and perform their respective obligations under each of the VIE Contracts and such obligations constitute valid, legal and binding obligations enforceable in accordance with the terms of each of the VIE Contracts against each of them. Each VIE Contracts and the transactions contemplated thereby have been duly authorized by the entities expressed to be parties thereto. No Approvals are required to be done or obtained for the performance of the respective parties of their obligations and the transactions contemplated under the VIE Contracts other than those already obtained, except when TAL Beijing decides to exercise the option granted under the Call Option Agreement to purchase the equity interests in VIEs, such purchase shall be subject to prior approval by the Ministry of Commerce or its local counterpart and be further subject to registrations with the relevant government authorities.

(b) The execution, delivery and performance by each of the relevant parties of their respective obligations under each of the VIE Contracts, and the consummation of the transactions contemplated thereunder, do not and will not (i) result in any violation of their respective articles of association, their respective business licenses or constitutive documents, (ii) result in any violation of any applicable PRC Laws, or (iii) to the best of our knowledge after due and reasonable inquiries,

conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any agreement, instrument, arbitration award or judgment, order or decree of any court of the PRC having jurisdiction over the relevant parties of the VIE Contracts, as the case may be, any agreement or instrument to which any of them is expressed to be a party or which is binding on any of them.

(c) The contractual arrangement and the ownership structure described under the caption “Summary” and “Our Corporate History and Structure” in the Prospectus are true and accurate in all material respects and nothing has been omitted from such description which would make the same misleading in any material respects. The ownership structures of TAL Beijing, VIEs and the PRC Affiliated Entities as described in the Prospectus complies, and immediately after giving effect of this Offering will comply, with all applicable PRC Laws, and does not violate, breach, or otherwise conflict with any applicable PRC Laws, except as disclosed in the Prospectus.

2. With respect to the M&A Rules

On August 8, 2006, six PRC regulatory agencies, namely, the Ministry of Commerce, the State Assets Supervision and Administration Commission, the State Administration for Taxation, the State Administration for Industry and Commerce, the State Administration for Foreign Exchange, and the China Securities Regulatory Commission, or CSRC, jointly adopted the Regulations on Mergers and Acquisitions of Domestic Enterprises by Foreign Investors, or the M&A Rule, which became effective on September 8, 2006. M&A Rule provides, among other things, that offshore special purpose vehicles, or SPVs, formed for the purpose of acquiring PRC domestic companies and controlled by PRC companies or individuals, to obtain the approval of the CSRC prior to publicly listing their securities on an overseas stock exchange. The Company acquired contractual control rather than acquired any equity interests in the VIEs and the PRC Affiliated Entities and is hence not a special purpose vehicle formed or controlled by PRC companies or individuals as defined under the M&A Rules. Therefore, the Company is not required to obtain the approval from CSRC for the listing and trading of the Company’s ADSs on an overseas stock exchange.

3. Taxation

The statements set forth under the caption “Taxation” in the Prospectus, insofar as they constitute statements of PRC tax law, are accurate in all material respects and that such statements constitute our opinion.

D. Consent

We hereby consent to the use of our name under the captions “Risk Factors,” “Our Corporate History and Structure,” “Management’s Discussion and Analysis of Financial Condition and

Results of Operations,” “Regulation,” “Taxation”, “Legal Matters” and “Enforceability of Civil Liabilities” in the Prospectus. This opinion relates only to PRC Laws and we express no opinion as to any laws other than PRC Laws. PRC Laws as used in this opinion refers to the PRC Laws currently in force as of the date of this opinion and there is no guarantee that any of such PRC Laws will not be changed, amended or revoked in the immediate future or in the longer term with or without retroactive effect. We hereby consent to the use of this opinion in, and the filing hereof as an exhibit to, the Prospectus. In giving such consent, we do not thereby admit that we fall within the category of the person whose consent is required under Section 7 of the U.S. Securities Act of 1933, as amended, or the regulations promulgated thereunder.

Very truly yours,
